

Morrisville Little Bulldogs

38 Hillcrest Avenue

Morrisville, PA 19067

Morrisvillelittlebulldogs.org

The Morrisville Little Bulldogs organization attempts to educate and guide our local youth. These children have the opportunity to learn the sport of football, utilize their knowledge of good sportsmanship and work together to achieve a common goal. Each team of hardworking football players has an equally hardworking team of cheerleaders rooting their team to victory. Each year the Bulldogs have approximately 120 boys and 75 girls from the Morrisville, Yardley and Levittown areas which comprise five weight classes of teams that we will field. We strive to teach these children from different schools and towns to work together as a team. We offer a way for these children to utilize their spare time in a constructive way. Our organization is a member of the NESAC Junior and Little Guys Football Conferences. Playing with these conferences presents the challenges and experience of playing other teams in the Lower Bucks County and Northeast Philadelphia areas. However, our primary goal remains, for all our participants to have fun!

The Morrisville Little Bulldogs is seeking generous donors and sponsor to help the organization replace its aging training equipment.

Prices for equipment donations

Down markers \$450.00

Running ropes \$250.00

3 Tackling dummies \$900.00

5 Blocking dummies \$500.00
